Math

Welcome to 6th grade math! Yes, there are new Georgia Standards beginning this year, but the changes have been minimal. We look forward to a smooth transition from 5th to 6th grade. We plan to dive right into our first unit of study: Rational Number Exploration with a focus on Integers. Students will be learning about positive and negative numbers, opposites, and absolute value. Please have your student check our Canvas pages in order to review and practice new concepts learned. We look forward to getting to know our new students. Please do not hesitate to

Continents and Countries of Study. Unit 0 is review and
Introduction to map skills
