NOTES: The actual amount paid to any employee from this schedule is determined by the number of scheduled days worked in the school year. "ANNUAL" rates are based on completing the full 190-day work term in full-time status. Rates for less than full-time are prorated. Anyone beginning employment after the annual work term begins will receive prorated pay based on the number of work days and paycheck cycles remaining in the payroll year. Annual salaries for workdays covered by this 190-day calendar are calculated by multiplying the "DAILY" rate by the number of contract days to be completed. Workdays scheduled in addition to the 190-day calendar are paid at the "DAILY" rate. The compensation schedule is not official until after adoption by the Forsyth County Board of Education.
