Use Think College Search to create a list of colleges that offer what you want. Think College Search is an online listing of postsecondary education programs for students with ID that are affiliated with an accredited institute of higher education.

Find the College that is right for you!

This directory includes information on 232 college programs for students with intellectual disability. You can search by school name, location, and other keywords. "Advanced Filters" offer more options to narrow your search. Review these **Frequently Asked Questions** for answers to some general questions on college programs, how we gather the information in the directory, and how to use the features of College Search.

Once you have located colleges you are interested in, download the **How To Think College Guide to Conducting a College Search (PDF)**. It provides you with the right questions to ask in order to get the answers you need about each program on your list. The How To guide is also available in Spanish.
