4.1

Any deviation from the specifications must be clearly identified in a letter accompanying the bid. The furnishing of cuts, catalogs or printed descriptions will not relieve the bidder of this requirement. FCSS shall determine in its sole discretion whether substitutions or modifications of the requested specifications are comparable to those contained within the Invitation to Bid. If FCSS determines that the modifications or deviations from the specifications are not in compliance, the bid may be rejected.

4.2

A vendor's failure to deliver any items/services according to specifications set forth in their bid may result in cancellation of the purchase and permanent removal from the vendor's list. If any items do not meet these specifications, the items will be picked up at vendor's expense and removed from FCSS property at the sole cost of the vendor.

4.3

For Goods: Manufacturers listed, as "Model Equivalence" in the Invitation to Bid is to establish the general quality required. Items of other manufacturers of equal or better specifications may be considered. The FCSS will be the sole determiner as to whether the substituted item is of equal or better specification.

4.4

If an awarded brand/model is discontinued during the award period, the awarded vendor may offer a replacement item. The replacement brand/model must meet or exceed minimum specifications listed in Bid document as well as current industry standards. Replacement units must be made available to FCSS for review and approved prior to the end of life of the awarded model. FCSS reserves the right to accept or reject the replacement item.

4.5

All products and materials furnished must comply with all applicable federal, state, and local laws, codes and regulations.
