FE Olds and Son Inc	I would like to confirm that alternate comparable brands will be considered for the above bid.	No alternates will be considered
FE Olds and Son Inc	It appears that each of the categories lists a number of models. Are there quantities being requested?	For the purposes of this bid FCS has elected to use a quantity of one each for all line items on the bid form. These numbers may go up or down and there is a chance the item may not be purchased at all. FCS shall be able to purchase more or less quantities at the published price listed on the bid form.
